

Sheffield ESOL Provision Directory

January 2012 to July 2012

Dear Colleagues,

This directory outlines the planned ESOL provision available in Sheffield for academic year September 2011 to August 2012.

Provision is arranged by Community Assembly Area and we will be updating the directory on a term by term basis. Please let us know if there will be any changes in your provision for the new terms so that the directory can be as up to date as possible.

To update us with any new information please call Kerry at SAVTE on 0114 241 2765 or email her at hlp@savte.org.uk

With best wishes.

Sara Saxon
SAVTE Manager

Learner Eligibility:

The following persons will be eligible for classes provided by the LLSC, the WEA and Sheffield College. Other organisations have their own individual criteria.

- A person who on the relevant date is settled in the UK and who has been ordinarily resident in the UK and Islands for the three years preceding the relevant date.

And is:

- A British Citizen and certain other people who have the right of abode in the UK.
 - Those with European Community – United Kingdom of Great Britain and Northern Ireland passports.
 - British Dependent Territory Citizens.
 - Those whose passports have been endorsed to show they have right of abode in the UK.
 - Those who have a certificate of naturalisation or registration.
-
- A national of any European Union (EU) country or dependant spouse where the learner has been ordinarily resident in the European Economic Area (EEA) for the three years preceding the relevant date.
 - An EEA migrant worker or dependant spouse where the learner has been ordinarily resident in the EEA for the three years preceding the relevant date.
 - The spouse of an EEA national living within the UK where they are not a citizen of an EEA country and resident in the UK for one year.

- Anyone who is recognised as a refugee by the UK Government (granted refugee status) who has remained ordinarily resident in the UK and Islands since being so recognised or the spouse of such a refugee.
- Anyone refused refugee status but who has been granted leave to stay, granted humanitarian protection (HP), or discretionary leave (DL) or was granted exceptional leave to enter or remain (ELE / ELR) by the UK Government and who has remained ordinarily resident in the UK and islands since being so recognised or the spouse of such a person.
- Non EEA national who is in the UK with work related immigration permission after they have completed three years of residence in the UK with any work related permission or the spouse of such a person.
- Asylum Seekers who have legally been in the UK pending consideration of their claim by the Home Office for longer than 6 months and no decision has been made.
- Asylum Seekers refused asylum but eligible and granted support under Section 4 of the Immigration and Asylum Act 1999.

Notes:

The eligibility of Failed Asylum Seekers receiving Section 4 support at the time of issuing this document is being reviewed by the Government.

For all individuals, eligibility for funding is based on the premise that any learner must be able to complete and achieve the aim of programme of study within the time that they have available. For example, a learner who is planning to leave the UK in 3 months and this is known before starting an aim cannot be funded for an aim that is planned to take 12 months to complete and achieve.
